#### Other items of note:

- Since 2011, I have preached at least once per year on John 17 which is the basis of our church purpose statement: *We exist to honor Jesus by living the truth, building community, and pursuing missions.*
- In 2014, we did a “Celebration Sunday” every time there was a fifth Sunday in a month; this involved extra songs and a shorter sermon focused on God’s greatness, usually from the Psalms
- Holidays: I do an Easter sermon and, depending on what else I have planned, a Christmas series or sermon; typically these are the only two holidays I do anything special sermon wise (we do a special prayer for mothers and fathers on their days, for the country around July 4<sup>th</sup>, etc., but I don’t preach special messages for these holidays)
- Not counting those listed above, I have records of 28 additional independent sermons I have done on Sunday mornings; other times I have either been on vacation, in Zambia, or sat back and enjoyed while someone else preached
